<p>CEO challenges We look at which airline chiefs face the biggest hurdles - and opportunities - going into the new year.</p>	<p>Networks We examine the biggest network-related challenges and opportunities at airlines across the world, utilizing the latest capacity data.</p>	<p>Aircraft & Engines We analyze the aircraft and engine markets and crunch the numbers. We highlight the big airline spenders and scrutinize the global order book. The engine market is also surveyed, along with the latest developments in new airliner programs.</p>	<p>Airports (Traffic) This annual assessment of the airport sector ranks the leading airports by passenger traffic. We also look at the way airports are exploring new opportunities as they gear up for expansion.</p>	<p>Low-Cost Carriers This influential traffic and financial survey of the leading low-cost and leisure players highlights the sector's winners and losers. As the low-cost airline model constantly evolves, we examine how that gap to the legacy carriers is closing and the different dynamics playing out around the world.</p>
